NEW ACOL BIDDING WITH BERNARD MAGEE

£59.99 (CD) Compatible with Windows 98/Me/2000/XP

Bernard Magee, Britain's best known bridge teacher, sets out to improve your bidding through 200 interactive deals. Bernard evaluates your bids, praising the correct ones and discussing the wrong ones. Bernard explains, in his inimitable way, difficult bidding sequences. The explanations are spoken which allows you to focus your eyes on the hand while listening to the words of Bernard Magee. If your PC doesn't have speakers, you can read the explanations as text on the screen. Each time you bid a hand your score is recorded in a table of statistics from which you are able to assess your rate of improvement. After the bidding, you may also play the hand.

Contents (20 deals per topic): Opening Bids & Responses; Support for Partner; Opener's & Responder's Rebids; Pre-empts; Overcalls; Slams & Strong Openings; Minors & Misfits; Doubles; NT Openings; Competitive Auctions.

With More Acol Bidding, the correct line of play of each hand is explained and demonstrated after the bidding has finished. This is not done with Acol Bidding, which is the main difference between the programs.
